

Fingerprint Readings For Two Lucky Readers

We invite you to send in your fingerprints to Jane, as she will be choosing two each month for hand readings and the results will be published online. If they are blurred then Jane will not be able to do a reading so make sure you follow the instructions carefully.

Send in a photograph of each hand, and please take photos in sunlight as per example as this seems to show the details best.

Fingerprint chart - smear the fingertips lightly with lipstick; put the paper at the edge of a bench so that you can put your fingers down horizontally onto the paper and roll gently from one side to the other, as opposed to just doing the tips. This ensures the whole fingerprint makes it onto the chart. Doing three of each print is preferred. If you do not have access to lipstick, try a small inkpad from a newsagent.

Please send your details to editorial@insightpublishing.com.au.
